Terms and Conditions

By signing this form, the member agrees to abide by the following terms and conditions of hire:

1. Kit will not be issued until the deposit and hire fee has been paid in full.
2. The hirer is responsible for checking that the kit is in good, working condition at the time of collection and that any issues identified are noted on this form.
3. The hirer is responsible for ensuring the kit is stored, transported and used in a safe manner, minimizing the risk of damage or loss.
4. If any hired item is lost, stolen, or damaged beyond repair, the hirer will be liable for the full cost of a like-for-like replacement. If damage is repairable, a fee will be charged.
5. The deposit paid will not be returned until all hired items have been returned and inspected. If any hired item is not returned by the agreed date, an additional hire fee may be charged.
6. All items hired must be returned clean and dry, having been rinsed in clean water. Dry-suit thermals must be returned laundered and dried. Kit must be returned within one week of collection (unless agreed otherwise).

I have read and understood all of the above terms and conditions and agree to abide by them.
